

Parents/Carers,

We are writing to give you some information about JPAC Ltd. We are a friendly, family run organisation that has been managing After School, Breakfast and Holiday Clubs for over 20 years. JPAC has been managing the after-school club at Glebe Junior School from the start of spring term 2012.

Managers, Ryan Robertson and Jim Proudfoot would like to extend a very warm welcome to all parents/carers and would like to make you aware of the fantastic quality of childcare JPAC has to offer with exceptional experiences for children. We ensure that children have fun through stimulating activities at our clubs, after a busy day at school, whilst always ensuring there is a safe and secure environment for children. All our activities are centred on children allowing them to choose the activity that they would prefer to undertake.

We are fully Ofsted registered; with all staff DBS checked and qualified in childcare, first aid and safeguarding children. Our qualified supervision is at a ratio of at least 1:8 at all times.

The benefits for your child:

- Friendship** After a day's work at school, children have the opportunity to, within a safe environment, socialise with friends.
- Play** Each night a range of sporting and creative activities will be on offer for your Child. If they prefer, however they can take advantage of our quiet area.
- Enjoyment** We aim to create a happy and friendly environment where children can relax and enjoy themselves, this is not an extension of the academic day.
- Security** The staff will be the same people, from our team, each day. The children will know them and feel secure in an environment they know well.
